If you're looking for a compact, self-propelled machine at an economical price, look no further than the RAYCO Super Jr series. These machines are lightweight, powerful, and come loaded with features. Yet they still carry a very affordable price tag. Available as either the RG1625A, with a 25 hp Kohler gasoline engine, or the more powerful RG1635, with a 35 hp Vanguard gasoline engine, there is a Super Jr that's right for you. These machines are easy to use and easy to maintain, making them ideal for rental applications as well as budget minded professionals and those seeking the most compact solution for their stump cutting needs.

Complete your package with optional accessories such as dual wheels, auxiliary chip retaining curtains, and a custom trailer.

Think Smart, Think Safe.....

We care about your safety. When operating your RAYCO machinery always wear an approved helmet complete with ear muffs, face shield and the proper eyewear. Never operate under the influence of alcohol or drugs. Know your RAYCO, read and understand your owner's manual cover to cover.
